NOTICE OF INTENT TO DRILL EXEMPT WELL

All proposed new well locations must be reported to the District by the drilling company prior to drilling. This notice of intent to drill may be mailed or emailed. If the preliminary determination is that the well is exempt, as per District Rules, drilling may begin immediately upon the District receiving the Notice of Intent to Drill. The drilling of a new well is at your own risk and subject to the rules of the District. It shall be a violation of District Rules for a well owner, well operator, or water well driller to drill any well without the Notice of Intent to Drill form filed with the District. Once drilled, a copy of the drillers log must be registered with the state as well as sent to the District. A \$200 non-refundable fee is required with application. THIS FORM MAY BE MAILED OR EMAILED.
